March, 24th., 1919.

Sir Robert Falconer,
President,
University of Toronto,
Toronto.

Dear Sir Robert:

I am writing you on behalf of the University of Toronto Alumni Association of Moose Jaw, a local association but recently formed in this city. We are informed by President Murray of our Provincial University that you are contemplating paying a visit to Saskatchewan some time in May. Will you kindly advise us if it will be possible for you to meet our association some time during that visit.

Hitherto we have been, perhaps, rather indifferent at times to the interests of our University, and we need your presence as the occasion of what I believe will be the first reunion of University of Toronto Graduates ever held in this city to give us inspiration and a fresh start for the future. We shall consider it a very great honor and pleasure if you can be our guest at any time to be named by you.

I am, Sir,

Yours faithfully,

F. Green
Secretary.

March 25th, 1919

Mr. I. H. Weber,
Railroad Building,
Moose Jaw, Sask.

Dear Mr. Weber:

Owing to the influenza epidemic and the lack of railway transportation facilities the Alberta Educational Association has cancelled its meetings for this spring. Consequently, I am not to be in Alberta in April. This means that I have had to cancel my journey to the East at present. I hope, however, to make a visit to the East before very long, although not this spring, particularly with the view of visiting our Alumni Associations, and I should like to be able to meet you in Moose Jaw when I do go to the East. I look back to a very pleasant evening I spent with the Moose Jaw graduates some five or six years ago. We had a dinner in the hotel not far from the C.P.R. Station, and certainly it will be a pleasure for us to meet the graduates again in what will I hope be the not very distant future.

Yours sincerely,

President.
